Panama Canal Cruise

Celebrity Infinity - 14 Nights

October 11- 25, 2009

Ft. Lauderdale to San Diego

You are invited to join bridge directors and teachers Peggy Tatro and Barbara Prior on an epic journey through the Panama Canal from Ft. Lauderdale to San Diego with Celebrity Cruises. Transiting this “eighth wonder of the world” canal is always fascinating. In addition to participating in a number of bridge tournaments and workshops, you’ll discover beautiful and historic ports of call in the South America, Costa Rica and Mexico. You must book your cruise with Dimensions in Travel to participate in all bridge activities.

Barbara and Peggy are club owners in Marin County with many years (and tables) of directing experience. They both teach bridge on a regular basis and are active members of the American Bridge Teachers Association. They have many loyal followers who enjoy their games and classes. Cruising with Peggy and Barbara affords the opportunity for duplicate bridge as you know it locally but in exotic locations with first-class amenities. The bridge is competitive yet always friendly and fun. The teaching workshops consistently receive rave reviews - lots of hands demonstrate the concepts, with challenges for every level. Cruising with their group also allows participants to really get acquainted with one another away from the bridge table, whether dining, enjoying the entertainment or on shore excursions.

Here’s what bridge players from previous cruises are saying:

From Marsha & Bob Sampson: *Here’s why we’re going with Peggy and Barbara again: We find that Celebrity has top-notch accommodations, food, service and entertainment. Peggy and Barbara make sure the bridge is friendly yet stimulating. It’s nice to be able to socialize in a relaxed setting when not playing cards. Join us, you’ll have a ball!*

From Fae Kettering: *“I was very pleased with your past cruises to Alaska and NewEngland/ Canada and am going to Panama with you even though I just went two years ago. You make it fun and we also learn something. The mixed dining allows me to really get to know my fellow players other than at the bridge table. I love belonging and sharing with a group instead of just being a passenger on a big cruise ship”.*

From Diane Howard: *“I can’t wait to go on my fourth cruise with Peggy and Barbara. It’s a win-win adventure to be able to travel to faraway ports of call with my mom (Nancy Sliter) and to take my bridge game to the next level”.*
